Floor sizing available from Bella Rents:

Dance Floor tiles are in 3' x 3' squares, and can be manipulated in any 3' square fashion, it is important to make sure the floor is large enough to accommodate your guests. You know your guests the best, if you and your guests like to dance, step up one size on your dance floor chart.

Bella Rents offers a variety of sizes; contact us today for availability and sizing recommendations.

Dance Floor Chart:

Use this chart to determine the size and number of pieces you will need for your event.

Example: 100 guests = 50 couples. A general rule is that only half of those couples will dance at one time. Therefore, 25 couples dancing equals a 15' x 15' size dance floor, approximately.
